Pursuant to sections 327, 330 and 331 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”), the *Order Approving Application of Debtors for Authority to Employ and Retain Bielli & Klauder, LLC as Attorneys to the Fee Examiner, Pro Hac Vice to the Petition Date*, dated May 26, 2020 [Docket No. 1182] (the “**Retention Order**”), and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), Bielli & Klauder, LLC (“B&K”), counsel for David M. Klauder, the Fee Examiner (the “**Fee Examiner**”), submits this *First Monthly Statement of Services Rendered and Expenses Incurred for the Period from April 8, 2020 through May 31, 2020* (this “**Fee Statement**”).² By this Fee Statement, B&K seeks compensation of \$66,700.00, which is equal to 80% of the total amount of reasonable compensation for actual, necessary expenses that B&K incurred in connection with such services during the Fee Period.

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended by B&K partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories B&K established in accordance with its internal billing procedures.

² The period from April 8, 2020 through and including May 31, 2020, is referred to herein as the “**Fee Period**”.

2. Attached hereto as **Exhibit B** is a chart of B&K professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Fee Examiner in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, and aggregate hours worked.

3. Attached hereto as **Exhibit C** is a summary chart explaining B&K's fee and expense calculation for the Fee Period. As set forth in the Retention Application, B&K, on behalf of itself and the Fee Examiner, is charging a monthly flat fee of \$55,000.00 for the services rendered in this case, which includes the fees incurred by the Fee Examiner and B&K including the monthly costs of data analytics software being used by the Fee Examiner, which is furnished by Legal Decoder, Inc., ("**Legal Decoder**"). Because of the circumstances of this case, neither B&K nor Legal Decoder is requesting a monthly fee for April 2020. B&K is also not seeking any additional fee for the retrospective lookback for professionals for the First Interim Application Period,³ but B&K seeks payment of the cost of Legal Decoder for that additional, expedited work at 50% of the invoiced amount. The specifics of the fees and costs are set forth on **Exhibit C**.

4. Attached hereto as **Exhibit D** are the time records of B&K for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period as well as an itemization of expenses and invoices from Legal Decoder.

³ As set forth in the Retention Application, B&K sought an additional one-time fee of \$125,000.00 to complete the First Interim Fee Application review in an expedited fashion.

Notice

5. The Fee Examiner will provide notice of this Fee Statement in accordance with the Interim Compensation Order. The Fee Examiner submits that no other or further notice be given.

WHEREFORE, B&K, in connection with services rendered on behalf of the Fee Examiner, respectfully requests compensation in the amount of \$66,700.00 which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal service and expenses that B&K incurred in connection with such services during the Fee Period.
